A HEALING TREATMENT FOR CONCUSSIONS & OTHER SPORTS INJURIES

Hyperbaric Oxygen Therapy is a Treatment that Gets Athletes Back in the Game

- Aids in Recovery from Concussion
- Promotes Faster Healing from Common Sports Injuries such as:
 - High Ankle Sprains
 - Fractures
 - Pulled Muscles
 - Achilles Tendinitis
- Reduces Inflammation & Pain

Scan QR Code to Read More about the Benefits of Hyperbaric Oxygen Therapy (HBOT)

The rationale for the use HBOT for concussions is based on its ability to dramatically increase, by 2-3 times, the delivery of oxygen to injured brain tissues to promote healing, and reduce swelling, inflammation and increased pressure in the brain.

The past four years have gone by so quickly. One day you were a little boy with glasses and now you're a young man with your whole life ahead of you. I know your Dad is so very proud of you, as we all are. Everything you do, you do with all your heart. Thank you for always giving one hundred percent and for making these memories so enjoyable. Enjoy senior year! Cannot wait to see #17 on the field.

We love you!

*Here's to:
Coach saying "one more time"...
The times you knew you could do better...
Switching stunt groups until everyone hits...
Being sore and still throwing every skill...
Reaching for a seemingly impossible goal...
Strangers become family...
Not settling for anything less than your best...
For that's what makes us CHAMPIONS...*

We love you Amanda! Mom, Dad, Katie, Alyssa, Andrew, Shea, Allie and Noss

Wishing our favorite Cheerleader the best of luck this Season!

SENIOR CHEERLEADERS

(L-R): Kaitlyn Lucisano, Rachel Rooney, Lacey Whitecraft, Alexa Sebastiano, Linda Picciotti, Amanda Fouss, Olivia Bumgardner

Enjoy your senior year! We're so proud of you!

Love, your ohana: Coaches Mrs. Roberts, Mr. Roberts and Freshman, Sophomore,
and Junior Varsity Cheerleaders

It's the glimmer of hope when times are tough,
It's a bit more patience when we've had enough.
It's that thoughtful smile when one's desperately needed,
It's that extra push, a reason why we've succeeded.
This part of our personality which never fails to strive,
Is the creator of our goals and the source of our drive.
We are enthused about life, optimistic about what's to come,
Because the cheerleader inside looks forward to life's fun.
Where does this light come from, where does the ray start?
It shines in your mind, but ignites in your heart.
The confidence to try, the will to believe,
The acceptance of failure and the way to achieve.
It's very close by, it's something we trust,
It's the fighter inside, it's the cheerleader within us.

PROUD PARTNER OF THE PENNSBURY FALCONS

The Lower Makefield Football Association was incorporated on July 16, 2001 although the program has been active since 1994. The LMFA was created with the intent purpose of developing a football program in Lower Makefield Township, where all participants are guaranteed a starting position and the opportunity to play the entire game.

With the exception of Columbus Day weekend all practices and games are held at Macclesfield Park, 1000 River Road in Lower Makfield Township. We take pride in this great tradition and we strive to create opprtunity for our children to learn the fundamentals of football, teamwork and respect for others in a safe, fun environment.

The safety and well being of our athletes is our highest priority. For this reason all volunteers and coaches are required to submit to background checks and must participate in Red Cross certified CPR training.

At LMFA, we hold ourselves to the highest standards of safety, recreational opportunity and structured youth activity.
